Hurricane Stakes, Worth \$9,650, Went to Textile—Steeplechase Racer Lost to Textile-Steeplechase Racer Lost His Life.

Twelve thousand persons Saturday afternoon at the Saratoga race track saw Thomas Monohan's chestnut colt. Textile, win the Hurricane stakes, for two year olds, worth \$9,650, and Frank Nolan's Sir John Johnson finish first in the Delaware handicap, for which James R. Keene's Maskette was the favorite. The finishes of both contests were of thrilling interest and brought the big throng in the grandstand to its feet. It was the most successful day's sport which the track has seen in a long time.

The North American steeplechase handicap was easily won by Aunt Juie.
The race was marred by a distressing

accident in which St. Faisenay lost his life. He stepped on a piece of soft ground or in a hole in the field near the back stretch and fell, breaking both forelegs. The depression was caused by the recent heavy rains. The rider escaped without injury.

COMPETENT BACKSTOPS IN GREAT DEMAND

Connie Mack-than whom there is

"The best advice I can give a young man who aspires to make for himself a great name on the diamond is:
Practice and study ctching. Become a second Buck Ewing. There is practically no limit to the salary that a man the equal of Lou Criger or Roger Bresnahan, when these two catchers were at their best could command today."

Every ball player, every fan, and every club owner knows that Connie —who was once a first class catcher himself—is right. The demand for himself—is right. The demand for backstops of the Kiling-Bresnahan-Gibson-Criger-Sullivan stamp is vast-ly greater than it is for great pitch-ers, hard hitters or fast fielders; in-finitely greater, in fact, than is the supply

The meeting of today of the two sectional stars aroused wide interest, a large gallery following the match in the afternoon.
